Bring sketchbook (11x14), pencils (HB, 2B, 4B), eraser (pink pearl, kneaded) and a sharpener.

Flowing Paint on Silk / Tomoko Murakami

204421 \$107 5 meetings WED 5/8-6/5 6:30p-9:30p PHS 26 limit 20

One of the most exciting aspects of painting silk is the opportunity to create strikingly vivid textures of color. This course introduces basic techniques for painting on silk--the watercolor technique (painting with dyes) and the French serti technique (drawing a design with water-based resist called gutta). In this course, participants will create a scarf or tapestry by painting, printing, spraying or drawing on silk. As the hand of the artist delicately guides the flow of the liquid, the colors glide through the silk and generate delight and excitement. The brilliant translucent colors then merge to become an integral part of the fabric, which always remains soft to the touch. The result is stunning! All levels are welcome. Material list available online and at the adult school office. A material fee of \$5.00 per yard payable to the teacher in class for silk.
